PACE - Promoting lesbian and gay health and well-being
©2008 - www.pacehealth.org.uk - 020 7700 1323

According to the government, 1 in 16 people in the UK identify as lesbian, gay or bisexual – if you're under 25 and think you might be one of them, there's never been a better time to get in touch with who you really are. Contact us in confidence* for information about our popular peer support groups and social events and our one2One advice & information service.
